

## WE LOVE THE SINGLE MOM'S WE WORK WITH AT MCRC!

Congratulations to Mom's Closet Life Plan mom, Terra! She was our latest recipient of the Norma Jean Singletary Car Award. On July 23, 2016, Terra was gifted with a 2002 Volkswagen Passat! She is one of our exceptional moms here at MCRC and has been in the program since May of 2015. Terra works full time at Jefferson County Technical College and goes to University of Louisville pursuing a bachelor's degree in Organizational Leadership. Since her time at Mom's Closet Terra has always strived

for success through making excellent grades, keeping her budget in line, using extra monies to pay off other debts, and working hard at her job. What a benefit the debt free car is for her and her family! Terra and her two daughters were so excited to receive the car from this award. Congratulations again Terra and a HUGE thank you to Ron Singletary and family for making this possible.

### From our Founder

I want to thank our MCRC family and friends for their support through time, resources and finances. You are the heart and soul, and the hands and feet, that allows Mom's Closet to continue to provide the programs to our single moms and their families. As you continue to walk with us on our journey, please remember the difference you are making in our community. Thank you for investing yourselves in the ministry and programs of Mom's Closet.

*Thank you*

We wanted to just take a moment to thank each of you, and our community for all of the support that we receive at Mom's Closet. We have been so blessed this year with food donations, items for our moms and kids, volunteers and financial support!

We could not do it without each of you! Did you know that approximately 85% of our budget comes from individual donations? Also, we have collected 7361 food and item donations in 2016. And we love bragging on our volunteers. You all have put in over 900 volunteer hours so far this year! THANK YOU for investing in our organization, and supporting single moms and their families.
